# GOING DEEPER WITH AUTHOR'S PURPOSE

## Most Writing Has Multiple Purposes!

Answer these questions to uncover what the writer wants you to "get" out of their work. All articles and stories have at least one purpose, but most have many. Read the following questions, and answer any that apply to your reading.

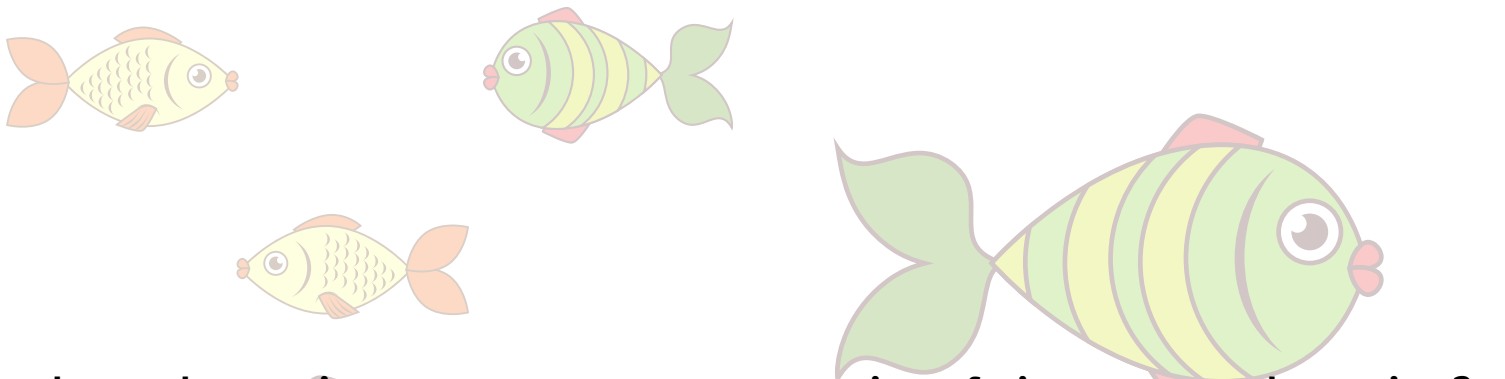

### Is the author trying to teach me something?

If so, the author is hoping to **INFORM** you. Write a short summary of something you learned from the work below.

### Is the author hoping to make me laugh or tell me a story?

If so, the author is hoping to **Entertain** you. Share a story or funny incident from your reading below.

### Is the author trying to move me to see a point of view, or to take action?

If so, the author is hoping to **PERSUADE** you. Write below what you think the author wants you to believe or do.
